The applicant will be required to provide documentation of income to meet eligibility requirements for the Assisted Subsidy. There are two ways the applicant can meet documentation requirements. **Please select one of the following options:**

- Option 1. For households where one or more of the household members listed above filed a Federal Income Tax Return. Attach a copy or transcript of the most recent Federal Income Tax Return (Form 1040/1040-A/1040-EZ) for each household member who filed a return. This option is not available if no household members filed a return.**

You do not need to provide the Schedules or Forms filed with the return. Social Security Numbers, routing and account numbers, and any PINs may be blackened-out of these documents. If you do not have a copy of your return, you may request a transcript of your return to be mailed to you free of charge by completing IRS Form 4506-T or by going to IRS.gov and clicking on "Order a Transcript" or by calling 1-800-908-9946.
